CPR Instructor Course – September 20, 2026
Training Application

Date	Instructor	Location	Time	Deadline
Sunday, September 20, 2026	Kyle Severance	Central Mason Fire & EMS, Station 5-8 122 W Franklin St Shelton, WA 98584	9:00 am until 6:00 pm	September 13, 2026

What to know:

1. Students will need to bring their working lunch and snacks.
2. Students **MUST** have a current Health Care Provider level CPR card to participate in the course. If the student does not have a current CPR card, they will be connected with Kyle Severance to complete this training before September 20.
3. Upon registration, the student will be emailed a link to complete mandatory online pre-course training. This training should take approximately two hours to complete and **MUST** be completed before class begins. Failure to complete this portion of the course will result in the inability to attend on September 20th.
4. The cost of the course covers the following training materials:
 - a. Instructor Manual
 - b. Participant Manual
 - c. Adult and Pediatric Reference Card

These training materials become the property of the student upon completion of the course and are required by the American Red Cross for each certified CPR Instructor. Replacement materials can be ordered directly from the American Red Cross website as needed.
